GLOBAL DISCIPLES TBILISI

A Pioneers Discipleship Training Community.

BEING, BELONGING, BECOMING.

At GDT, experience the transformational power of a life-on-life, multicultural community of Christ-followers, growing as disciple-makers to the Unreached.

"GDT mobilizes and equips Christians worldwide through a three-month hands-on mission, mentoring, and discipleship training community to release them into the global Pioneers family."

Our Aim:

Pioneers mobilizes teams to glorify God among unreached peoples by initiating church planting movements in partnership with local churches. Global Disciples Tbilisi is one of the ways Pioneers seeks to equip and release well-formed disciple-makers to be a part of that global, church-planting family.

*Well-formed
disciple makers*

Our Distinctives:

We focus on spiritual and character formation - inward before outward, private before public. We value and celebrate the diversity of Christ's global Body - and to learn how to serve as a unified family on the mission field. We believe learning happens best in reflective communities of practice.

*Hands-on mission
and mentoring*

Our Process:

Training Facilitators

Three days a week, you will engage with content designed to shape you as a disciple-maker, taught by a diversity of experienced leaders. The rest of the week focuses on applying this content across different ministries in a multicultural environment.

*Life-on-life

Dynamic Fees:

We seek to be accessible to all members of our global Pioneers community. Each cohort pools its resources and seeks to live simply in mutual interdependence and generosity.

For 2026, \$550/month is an adult's average for food, transport, accommodation, and supplies costs, but your actual participation fee will be based on your current situation with the aim of helping you cultivate faith-filled dependence on God in support-raising and wisely steward God's resources available within the global Body.
